REPLY to NOTICE OF NON-COMPLIANT AMENDMENT
UNDER 37 C.F.R. §1.121

Mail Stop Amendment
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Sir:

Applicants re-submit the corrected section of the non-compliant amendment document of the Amended Claims Version with Markings to Show Changes Made (37 CFR 1.121(c)(1)(ii)) in reply to the Notice of Non-Compliant Amendment mailed on July 29, 2005. Specifically, it was indicated that the amendment did not include the proper status identifier for all the claims.

The disposition of the claims stand as follows:

- ◆ Claims 1-19 are cancelled in this application.
- ◆ Claims 20-25 are original claims.

Applicants submit herewith:

- 1) A corrected version of the Claim Amendments showing the status of each claim; and
- 2) A copy of the April 15, 2005 submitted response.

The submitted version of the claim amendments contains a copy of all amended claims: Claims 1-19 are cancelled in this application and claims 20-25 are identified as original claims and pending in this application.

Applicants believe their present response addresses the outstanding issues presented by the examiner and respectfully request all pending claims be allowed to issue.

Respectfully submitted,
